MY VIRTUAL RACE EARTHCACHE

Official Run Rules

1. You should consult with your medical practitioner before the run to ensure that you are healthy enough to participate.
2. Your run must start at or end at an active EarthCache.
3. Your run must cover at least 5km.
4. You must keep your own accurate time.
5. You must run on a safe route and not interfere with private property, roadways or other activities.
6. You assume all risks associated with this activity and release the EarthCache program, the Geological Society of America , geocaching.com and any associated organization or individuals from any liability.
